Presidents Message

The cools wet days of summer have gone and the warm dry days of fall are upon us as we issue the 2004 fall edition of the "Retirement Rag."

We started off the fall with a great golf tournament in September under perfect weather conditions. We owe Mike McFall and Gerry Norris and all their committee a large vote of thanks, for a well-run tournament. The ladies winner was Bonnie Parsons and the men's winner was Ron Knisley.

We welcomed a new Fellowship Vice President Bill Hughes and a new secretary Syd McKay to our Executive for the 2004 - 2005 season.

Bill Hughes has at last got the calling of our membership underway, after overcoming some difficulties with the number of long distance calls our callers had to make. He has divided the membership list into groups for each caller eliminating them from having to make long distance calls.

You maybe called by a new caller because the changes made, but our main objective has been met in that our membership will be called twice a year.

We are asking for your assistance in letting your Executive know when any of our members are ill or have been hospitalized or a member has passed away. We are finding these things long after they have happened, so please contact any member of the Executive regarding our members.

We are very pleased to see a large increase in number of members attending our luncheons held at Maple Grove United Church and other program events. I guess the hard work of our Program Committee is paying off, with better events and guest speakers.

The daylight is getting shorter as we

approach the Christmas Season once again, so don't forget our Christmas Luncheon on December 7, 2004 at the "The Dome" in Oakville, time 11:00 am. Bring your appetites and singing voices for a time of feasting and fellowship.

Membership

We are always on the lookout for new members. Do you know anyone that has retired recently, or someone that has just moved into the area?

Please contact Pat Herron

Our Trip to Magog Quebec

On September 7th at 6:00 a.m. 38 members of our club departed by private luxury coach from Maple Grove United Church on our way to Magog Quebec. On our way we stopped for breakfast, and at noon for lunch in Dorion, Quebec. Around 4:00 p.m. we arrived at Auberge Memphremagog.

The next three days were filled with great food, great entertainment, great fun and great fellowship. Some of the side trips included the Montreal casino, a tour of Sherbrooke, a visit to the Abbey and a cruise on Lake Memphremagog.

We were entertained at breakfast, lunch and dinner by two very funny hosts. The highlight of the course was the wedding of Barbie and Ken. All in all the four days and three nights were full value, thanks to our tour director Yvonne Seaton. Will a repeat be on the calendar for 2005?

Program Committee

The following are the events planned and carried out by your program committee beginning with the Christmas luncheon in December 2003.

The Christmas luncheon was held at "Le Dome" in Oakville with 191 people in attendance and our first appearance of Santa Claus. This year let us exceed the 200 mark.

In January we attended Theatre Aquarius in Hamilton see "The Mystery of Irma Vet" lunch at the Black Forest Inn, with 50 people attending.

Our next outing was in February at the Oakville Center where we saw Agatha Christie's play called "The Mousetrap" again with 50 people in attendance.

In March we made our annual visit to Theater Sheridan in Oakville, to see the play "Into the Woods" and attendance was 55 for this event.

For April we journeyed to the Sandy Flats Sugarbush near Cobourg for a pancake brunch followed by some old-time music and dancing as well as a tour of the sugar bush. Attendance was 48 people.

In May we enjoyed a great pancake breakfast at the Balsam Rd. Clubhouse. This event was coordinated by the euchre and crafters volunteers, who looked after the cooking, serving and cleanup.

Oakville Retiree's Community Service

On Saturday October 23rd, five members gave 25 hours of their time and the use of their vehicles to assist the Salvation Army with their fall food drive. Coordinated by Bob De Forest the team included Ron McLean, Elmer Throop, Ken Wilford and Doug Kirkwood. Each driver was accompanied by local high school students who went door to door.

THE LAW IS THE LAW

So if the US and Canadian government determines that it is against the law for the words "under God" to be on our money, then, so be it. And if that same government decides that the "Ten Commandments" are not to be used in or on a government installation, then, so be it. And since they already have prohibited any prayer in the schools, on which they deem their authority, then so be it.

I say, "so be it," because I would like to be a law abiding US citizen, or Canadian citizen. I say, "so be it," because I would like to think that smarter people than I are in positions to make good decisions. I would like to think that those people have the Publics' best interests at heart.

BUT, YOU KNOW WHAT ELSE I'D LIKE?

Since we can't pray to God, can't Trust in God and cannot Post His Commandments in Government buildings, I don't believe the Government and it's employees should participate in the Easter and Christmas celebrations which honour the God that our government is eliminating from many facets of our lives.

I'd like my mail delivered on Christmas,

Doug Kirkwood, Brian Marshal, Natalie Dmuchowska

Good Friday, Thanksgiving, & Easter. After all, it's just another day.

I'd like the Supreme Court to be in session on Christmas, Good Friday, Thanksgiving & Easter as well as Sundays. After all, it's just another day.

I'd like the Senate and the House of Representatives, or the Parliament to not have to worry about getting home for the "Christmas Break." After all ~ it's just another day.

I'm thinking that a lot of my taxpayer dollars could be saved, if all government offices & services would work on Christmas, Good Friday & Easter. It shouldn't cost any overtime since those would be just like any other day of the week to a government that is trying to be "politically correct".

In fact.... I think that our government should work on Sundays (initially set aside for worshipping God...) because, after all, our government say that it should be just another day.... What do you all think????

Above received from Ron Knisley

Well that's all I have folks. 73
