President's Message

I hope that you all enjoyed your summer. The shorter days and cooler nights are letting us know that fall is here. It also means we're already back again for a new year of Telco Community Volunteers.

As this is my first year as your new president, I would like to take this opportunity to thank you in advance for your support as I take over the position ably filled by my predecessor Eileen Chewter, and to thank her again for her leadership of the past two years.

I would also like to welcome Marie Walker into the fold as our new vice president. I'm sure you'll join me in making her feel welcome and that we will all benefit from her input and ideas.

As your new president I will do my best, with your help, to fulfil the position you have entrusted me with

Annual General Meeting—Tuesday, April 05 2011

Ron McLean & Bill Hughes
Telco Annual Meeting - 05 April 2011

We had a good turnout for our Annual Meeting. The guest speaker Ron McLean was introduced by Bill Hughes. Ron brought us up to date on the founding of the Pauline Baxter Moore Fund and the evolution of the fund and its assets from being a trust to the present management and distribution. A full slate of Executive for the 2011 - 2012 year was elected

Nurse Jane Goes to Hawaii—Wednesday, April 20 2011

There were 34 of us who enjoyed a lively comedy at the Oakville Centre. A very nice evening outing for everyone.

Pancake Breakfast Saturday, May 7 2011

Approximately 43 people attended our Annual Pancake Breakfast.

Ron Knisley provided the Maple Syrup for us, again this year. Everyone enjoyed the pancakes, sausage, and the fruit with tea or coffee provided as well. A great job was done by the Euchre players and the Crafters Who Care group to make this a successful event.

Carmen's Tuesday May 31 2011

We certainly enjoyed a delicious lunch on a very hot day. The performance for that afternoon was the "Four Lads". The general opinion was that their performance was enjoyable; however, the group was past its best years.

Annual BBQ and Picnic—Wednesday June 22 2011

Approximately 65 people attended the annual BBQ this year. Though the weather did not cooperate most of the group ended up inside where they could socialize and enjoy the festivities.

Grand River Cruise—Thursday September 08 2011

On Thursday Sept 8th, 43 members and guests boarded a shiny new coach and headed on the QEW to the Grand River around Caledonia for a river Cruise. Arriving at "The Landing" an auditorium, we were given coffee, muffins and cookies followed by a video of the Grand River, and then a great music show of four musicians, two violins (fiddles) one base and piano, also spoons. They played some super music like Crazy, West Side story and some Celtic songs also some good old foot "stompin" music. We then boarded our cruise boat the Grand River Belle and headed up and down the Grand River for about two hours

with some great views of nature and wildlife (Blue Heron). About half way through the cruise we were joined by the girl violinist who played again some great tunes for our entertainment. And by the way did I mention we were served a tasty roast beef dinner or chicken on board ship followed by Mom's apple pie.

This was another good outing planned by our Program Committee

Annual Report of the A.V.P. Participation

July 1st, 2010 to June 30th, 2011

The total number of hours reported for this period was 7255.75 (which is 245.5 hours less than last year).

The Crafters Who Care Group contributed over 3500 hours, and together with the Connect Care volunteers, accounted for over 54% of our total hours.

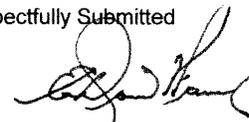

Bea Medland calls with the "Crafters" hours each month and Venetia Binns sends a report from "Connect Care" together with her personal hours. It is great to receive these regular reports!

It is also worthy of remark to acknowledge and to thank Doug and Aletha Kirkwood for reporting the hours they spend on their many and varied activities which, this year, amount to 1003 hours.

The above three account for 67.5% of our total reported hours this year

I am sure that many others spend time on projects that could and should be reported. I urge everyone who participates in a project which helps and enhances our communities, to keep track of the time spent, and give me a call, in order that our contribution, as a club, and as individuals on behalf of our club, can be recorded, and identify the hours of service which our members provide.

Crafters Who Care Annual Report 2010

Our group consists of 16 members and also helpers of members. We knit vests for third world countries and hats & mitts for the children's hospital in Hamilton.

In 2010, we donated 136 pillows and bags to the breast cancer in Hamilton and also to some friends of our members in our group of 15. To third world Countries, we have donated 142 vests, 55 grocery bags and 18 back packs. To McMaster Children's Hospital, we have donated 75 hats and mitts for preemies; 4 sweater and hat sets; 8 sweaters, hats and bootee sets. To Milton Hospital, 10 sets of hats and mitts.

A member since the start of this group, Norma McIntyre has resigned her position as treasurer. Norma was my right hand in keeping this group together. Norma contributed so much in quilting and making so many of the hats for kids that we donate to the Sick Kids Hospital. Gisele Dunn, a new member and dear friend has gracefully accepted to be our Treasurer.

The money we raise from our craft sale and quilt raffle is donated to McMaster Children's Telethon and the Darling House (Rose Cherry's House) in Milton. We also use it to purchase material for our projects.

I would like to thank all of the members of our "Crafters Who Care" for making it a very successful year. Thank you to everyone for making it such a pleasure to work with.

Presentation by the Crafters Group

On September 06, 2011, Jennifer Young accepted a cheque for \$1500.00 from Bea Medland on behalf of the "Darling Home for Kids" (formerly the Rose Cherry House) at Campbellville.

This donation was made possible by the "Crafters Who Care" from their quilt draw and craft table at the Annual Oakville Retiree's Club Christmas Luncheon. The proceeds are being used to provide wheelchair accessibility to the kids playground.

All the more reason to appreciate and support the good works that these volunteer ladies do on behalf of our Club.
